

Bearings

- ✓ exclusively designed, developed and tested in Germany to meet future OE standards and specifications.
- ✓ developed to fulfil all high requirements of modern cars, trucks, agriculture applications.
- ✓ designed to perform under extreme conditions and with durability to match only the highest OE-Standards and lifetime requirements.
- ✓ the best choice on price, quality and reliability.

| Bearing Type | HC-CARGO single packed | HC-CARGO bulk packed | ID | OD | Height |
|-------------------|------------------------|----------------------|-------|-------|--------|

Less friction - Less noise - Less vibration - Longer lifetime
